BB and the county road east of Preston, Mo., about seven miles from where she disappeared.

There were no signs of a struggle at the scene. Tipton said investigators were waiting for the pathologist's report before commenting on a possible murder weapon.

An autopsy was expected to be performed today in Columbia.

Darby apparently did not give her son a description of the man or discuss a vehicle.

Investigators were continuing to follow leads, although the sheriff said they had nothing substantial.

Anyone with information is asked to call the Hickory or Camden County sheriff's departments or the Missouri Highway Patrol.
